NOVEMBER 2026 HIGHLIGHTS

Ghosts Off Grid

New episodes every Tuesday at 9pm ET

Ghosts Off Grid dives deep into the idea that everything around us is made of energy, even our own bodies. When we die, where does that energy go? Johnny Wiebe and Jordyn Penner search for electrical impulses away from the built infrastructure.

Cast:
Johnny Wiebe, Jordyn Penner, Kristen Truesch

Milestones of the Solar System

New episodes every Wednesday at 9pm ET

The solar system we know may seem eternal. But, long before our Sun and planets began their elegant dance, billions of years of chaos and wreckage reigned supreme. From stardust to system and back again, what uncertain future awaits us?

War Trains

Wednesday, November 11 at 8 pm ET

For more than a century, rail power has fueled the rise of the modern world. Its mobilization foretold the reshaping of nations and the rise and fall of great empires. How have trains carved vital pathways towards victory?.
