JULY 2026 HIGHLIGHTS

Ancient Bodies: Secrets Revealed S2

Monday, July 13 at 9pm ET

"Through ancient tales, modern science, and the current guardians of the bodies, Ancient Bodies: Secrets Revealed pieces together an understanding of who these people were and how they died and remained preserved for us to learn from today.

Cast:

Tracey Turner, Michael Drew, Arwen Smith

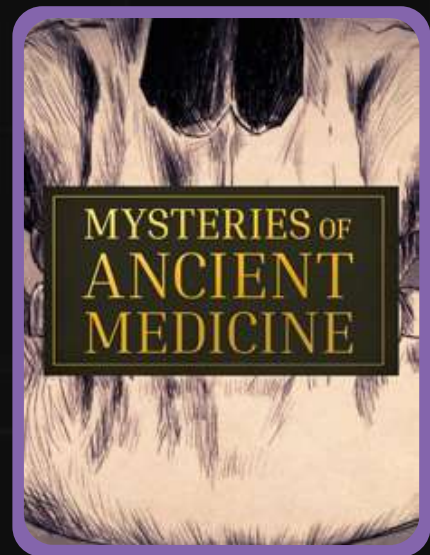

Mysteries of Ancient Medicine

New Episode Every Friday at 9pm ET

In the face of death, plague, or pestilence, how did our ancestors respond? From abracadabra to Ayurveda ancient amputations, and toxic tinctures, unearthing ancient medical knowledge sheds light on how humans once sought to stay alive.

Cast:

Natasha Billson, Rob Bell, Andrew Gough

Fishing for History S2

New Episode every Saturday at 9 PM ET

Mike and Justin are commercial fisherman who after discovering magnet fishing on YouTube, are convinced they can do it better, so they take off across North America in search of places to dunk their magnets.

Cast:

Mike Lenton, Justin Gerbrandt, Toban Gottfried
